***"Try not to become a man of success,
but rather try to become a man of value."***

Albert Einstein

441 is the name of the EP by Blue Value. 4 musicians from 4 styles, 1 goal. That is Blue Value. Blues combined with value. Something the world needs more of today! 4 styles merge to the sound of Blue Value. Bluesrock at its core with touches of jazz, country and mainstream. Makes alternative blues rock. From the Glarnerland!

Blue Value's songs are taken from life, often autobiographical. They do not shy away from licking the wounds of life. They tell of life experiences, of insights and feelings. About love and security, but also about pain and disappointment.

Full of value - rocking - full of feeling - authentic - from life.
The live experience!
